

SHORE RHAPSODY- © Jolee Patkai

Chorus:

I will go down to the shore
I will go down to the shore
I will go down to the shore to find you
I will go down to the shore

Verse:

The days of my childhood were fine
The days of my childhood were mine
The days of my childhood will be no more
So..I will go down to the shore

Break...

There have been times when I've wandered
Far from the shores of my birth
And there have been days when I've longed for
Someone to show me what I'm worth

Chorus: (as above)

"Partial of first verse repeated"

There have been times when I've wandered
Far from the shores of my birth
And there have been days when I've longed for
Someone to show me what I'm worth

Chorus: (as above)

Second Verse:

The sound of your voice, it still calms me
The touch of the water surrounds me
The peace within my soul is what I've been searching for
Everytime I've gone down to the shore....

Chorus:

*Repeated overlapping
