

LAST DATE - Floyd Cramer

One hour, I'll be meeting you
I know you're gonna make me blue
My heart is trembling, through and through
Cause I know, very well,
I can tell, I can tell
This will be my last date with you.

Just can't believe that this would end
I'll know, I'll never love again
You'll ask me just to be a friend
It's as plain, as can be,
I can see, I can see
This will be my last date with you.

Chorus:

I know we had a quarrel
But all sweethearts do
I have my love to prove to you
That I would always love you and be true.

I know you've found somebody new
You'll tell me, you and I are through
My plans and dreams cannot come true
And when you say goodbye
I know I, I will cry
Cause this will be my last date with you.

Chorus:

Repeat first verse and end song
