

DADDY DUMPLIN - Donna Fargo

I used to tag along behind you
Hangin' on to the patches
That mom sewed on your faded overalls.
And every step I took behind you,
I was learnin' all about you
And I'm glad I got to know you from it all
Now...I can almost touch your shoulder
And we're both a little older
Since Momma died, I know, I ain't been home
But Daddy just in case you're thinkin'
Nobody loves you..
I wrote you this Daddy Dumplin song.

Chorus:

Daddy Dumplin
I love you
And you're still my best buddy
I wouldn't trade you for all the daddies in the world,
Daddy Dumplin
I miss you
And my heart is always with you
And no matter what you do
I'll be your girl!

Well now I see you've found a lady
And there's gonna be a wedding
Well can I come and be your flower girl.
Cause I don't want to miss the chance
To wish you love and happiness
As you begin to rebuild your world!

Chorus: repeat twice
